Kota Banjarmasin, Kalimantan Selatan, Indonesia

WORK EXPERIENCE

Bythen AI **March 2025 – June 2026**

Backend / Data Engineer *Remote*

- Built early-stage Data Warehouse from several sources and succeed pipelining millions of records to dashboard tool and reporting.
- Shipped core engine component for Bythen AI Video Producer using **webhook** and **event-driven architecture backed by GCP PubSub**.

Personal Development **December 2024 – August 2025**

- Proactively join professional development program to mastering modern data and cloud technologies, culminating in the attainment of the **AWS Certified Cloud Practitioner** through AWS re/Start Program and DataCamp Data Engineer Associate.

Feedloop AI **December 2022 – November 2024**

Software Engineer *Remote*

- Developed and maintained websites for **5 full-stack projects** and integrate them with various **gateway** or **middleware**.
- Managed **3 Kubernetes clusters**.
- Shipped a **full-stack project** website integrated with **AI using RAG** to extract information from PDF/Image to text, efficiently process over 100 legal pages per document and enabling semantic search for streamlined document analysis.

PT Arkan Jaya Nusantara **January 2021 – November 2022**

Software Engineer *Banjarmasin, Kalimantan Selatan*

- Designed and maintained a continuous monitoring website with **React** integrated with medical BLE devices, improving data accuracy and reliability by 25%.
- Established basic CI/CD practices, enhancing deployment frequency and reducing regression errors.
- Collaborated with multiple companies to pull new SDKs and documentation for BLE devices, facilitating seamless integration and support for advanced features.

EDUCATION

Universitas Lambung Mangkurat **March, 2020**

Undergraduate Thesis

Performance of Transfer Learning Convolutional Neural Network for Pothole Detection in Aerial Video

SKILLS

NestJS, ExpressJS, React, Typescript, Python, Javascript, Golang, SQL, Postgres, MySQL, MongoDB, Redis, Git, **Docker**, AWS, Google Cloud, Azure

CERTIFICATES

Amazon **2025**
Certified Cloud Practitioner.

Microsoft **2023**
Azure Fundamentals, Azure Data Fundamentals, Azure AI Fundamentals.

VOLUNTEERS

Indosat Ooredo Digital Camp **2019**
Facilitator
Guided 20 students through a self-paced digital curriculum by providing personalized assistance, clarifying coding concepts, and helping them troubleshoot and improve their work.

Bangkit Academy **2021**
Advisor
Supported 20 learners in completing a structured online program by offering strategic guidance, reinforcing technical understanding, and fostering independent problem-solving throughout their learning journey.
